

What is Creative Play Preschool?

The Creative Play Preschool program offers a stimulating environment for children to grow socially, emotionally, physically and intellectually. The preschool curriculum will include activities involving art, math, science, language, music / Movement and dramatic play. Student/teacher ratio is 11:1 or better, enabling instructors to work with each child individually.

A child's first experience with school is crucial, and park district instructors will provide an experience to foster a love for learning that will continue through the years. Children must be 3 or 4 years old as of Sept. 1 of the current school year and must be completely toilet-trained. The school year is divided into three sessions: fall (September to November), winter (November to March) and spring (March to May). Fall session begins Sept. 5. Creative Play Preschool is offered at the Prisco and Eola Community Centers.

Creative Play Preschool Registration Payment Plan

Full-year registration is available with initial payment due at registration and eight more equal Electronic Fund Transfers (EFTs) scheduled throughout the school year. If enrolling in only one session, entire payment is due upon registration. Note: There is a \$25 registration fee due at the time of enrollment.

Parents!

Check out the new additional Creative Play Preschool classes at the Prisco Community Center on page 92. Children can be enrolled in new back-to-back Creative Play programs (Early Birds; Lunch Pals & Playtime; Learning with Friends) to extend the preschool day with fun and learning. Call 630-859-8606 for details.

Creative Play Preschool

Creative Play: School Readiness

Preschoolers will learn the alphabet, numbers and colors in a structured, yet fun environment. Children will develop social skills through interaction with others, music, games and play. There are 3 three-month sessions.

Registration is already in progress for the fall session. (CJ)
